

Malanda, Atherton Tablelands Travel Itineraries

### **Waterfalls & Ravenshoe Circuit**

From Millaa Millaa take the East Evelyn Road which travels past the Millaa Millaa Lookout (spectacular views of Mt. Bartle Frere) to join the Kennedy Highway and onto Ravenshoe, Queensland's highest town (920m).

This scenic route travels past Windy Hill Wind Farm, Queensland's only wind generated power system. A must to see is the Ravenshoe Visitor Centre and it's just a short drive out to The Millstream Falls.

From Ravenshoe take the Kennedy Highway north towards Atherton. Follow the signs into Mt. Hypipamee National Park to view the Crater which is a huge volcanic vent hole and enjoy Dinner Falls.

Rejoin the Kennedy Highway and travel west to the historical mining town of Herberton which has interesting displays of the tin mining era dating back to the mid 19th century, a world class camera museum and the Herberton Historical Village.

Travel back to Malanda via the Herberton Range where keen birdwatchers might like to stop off at Hastie's Swamp, which has a world class bird hide.
